Where does the money go? All proceeds go to Opportunity Village, an organization that is dedicated to helping adults with disabilities become the very best version of themselves. Through vocational training, community employment, day services, advocacy, arts and social recreation, they are able to find new friends, realize future career paths, seek independence and community integration, and unleash creative passions. Over the last six decades, those children, and thousands more like them, grew into adults who wanted jobs and choices. That once small school grew into what today is an internationally-recognized leader in the field of habilitation services.

Nearly 2,000 people with intellectual and developmental disabilities choose to receive services here, where they feel safe from ridicule and labels, where they can grow, make friends, and develop life skills. Today we are expanding our services to include visual arts, music, dance and drama. We are securing jobs in the community, our state-of-the-art employment resource centers, and through our many service contracts. We have many jobs available in our commercial kitchen, document destruction and imaging shop, custodial and grounds maintenance contracts, packaging and assembly center, and retail thrift store.

**Our Mission:** Opportunity Village is a not-for-profit organization serving adults in the Southern Nevada community with intellectual and related disabilities, to enhance their lives and the lives of the families who love them.
