The Magical Forest continues to shine brightly at Opportunity Village.

In 1991, the Magical Forest opened its gates to thank the local community for their support of Opportunity Village and the programs and services provided to individuals with intellectual disabilities in Southern Nevada. What started as a few hay bales, some hot cocoa, cookies, and several decorated trees has flourished into one of the most highly anticipated and cherished holiday events in all of Nevada, welcoming visitors from all around the globe.

The Magical Forest is Opportunity Village's largest fundraiser, delighting tens of thousands of visitors each season. Proceeds from all aspects of the park go directly to the myriad programs and services Opportunity Village offers annually to over 3,000 individuals with intellectual and related disabilities. These include community-based habilitation programs, developing artistic talents in the Boyd Gaming Fine & Performing Arts program and training in valuable trade skills to find a career. Your support as a sponsor is invaluable to helping Opportunity Village clients lead a richer life full of purpose, choice and independence.

Year after year happy holiday revelers visit the Magical Forest to celebrate the season. They enjoy classic rides and attractions like the Forest Express Train, the Avalanche Slide and Cheyenne's Enchanted Carousel. They enjoy funnel cakes with all the toppings and plenty of other carnival-style treats. They spin themselves into a flurry on the Blizzard Mini Coaster. And, of course, Santa is always on hand for photos and to help spread holiday cheer.

The highlights of the Magical Forest are the beautifully decorated holiday trees and festive displays. The Magical Forest is lit with over a million bright LED lights sure to delight our loyal guests. As people stroll through the forest they enjoy spirited holiday music piped throughout the path.
