SECURE DOCUMENT DESTRUCTION

Servicing over 500 customer locations on a monthly basis, Paper Pros is one of the largest document destruction providers in Nevada. Our customer portfolio includes businesses in the gaming, healthcare, banking and finance, and government industries. At our facility, we shred over 15 tons of paper each day. Once we shred the paper, it is baled and sent to a recycling facility where it is fully repurposed into new paper products.

OWN OR OPERATE A BUSINESS THAT COULD BENEFIT FROM SHREDDING?

Interested in hosting a shred event at your business, residential, community, school, spring cleaning fundraiser or other function? Reserve the Paper Pros truck for a minimum of three hours, with document collected onsite in secure bins and transported to our facility for shredding. Pricing starts at \$400 for 3-hour rental.

We offer convenient, ongoing, regularly scheduled services along with one-time pickups for commercial and residential locations. Pricing starts at \$34 for ongoing services, with introductory rates for one-time pickups starting at \$65.

AAA NAID Certification
Paper Pros holds AAA NAID certification. This annual audit ensures compliance ranging from building security and staff background checks to shred equipment specifications and destruction methods.

We accept the following materials for destruction:
